Medical care

According to the law of the Russian Federation, all foreign nationals are required to have valid health insurance!

In the absence of insurance, all medical services will be paid for by the foreign national at his or her own expense.

The UNN health insurance **does not include** coverage for dental care, gynaecology or chronic illnesses. Medicines are also not included in the cost of the insurance.

The health insurance can be arranged at **Office 306**.

Under the health insurance, international students are obliged to undergo an **annual medical examination** and submit a certificate with the results of the examination to Office 303.

Medical care

If you need medical help, you should call the insurance company's hotline number!

The hotline number is listed on the health insurance policy.

In case you have problems in contacting your insurance company, you can call the international student helpline at +7(920) 077-48-89.
